"This post is long overdue but I finally have some pictures that do it justice. Thank you Legendary Sports Construction and Miles Reynolds for creating my dream game court. Your customer service, attention to every little detail, and follow-up is truly inspiring and appreciated.

This court is the backdrop for some unbelievable memories with family and friends that we'll forever cherish. I can't wait until you design the next one for me. Much love!"

Jonathan Scott ★★★★★

"Just finished putting in another Legendary Sports Construction court system for some friends. They are THE BEST. Got me thinking, if you were gonna do something cool in your yard... would you do an in-ground trampoline, basketball court, baseball diamond, tennis court or all of the above?"

Shea Theodore ★★★★★

"I had an incredible experience with Legendary Sports Construction! The service was absolutely fantastic, and the installation was flawless. They made the entire process so easy and were a pleasure to work with. From start to finish, everything was handled professionally and efficiently. Highly recommend them for anyone looking to install a court—perfect experience all around!"

Founder Miles Reynolds

Founder Miles Reynolds grew up playing sports with his three brothers and friends almost every day on the court in his driveway. His fondest childhood memories are rooted in those games—moments of laughter, competition, and connection that shaped his lifelong love for sports. Now a father of five, Miles understands even more deeply how important it is to create spaces where families can come together, stay active, and make lasting memories.

"I love seeing families' homes become the hangout house in the neighborhood,"

Miles says, reflecting on how sports brought people together in his youth. Through Legendary Sports Construction and the company's community initiatives, Miles shares that same passion with others—supporting local schools, youth programs, and faith-based organizations to give more kids the opportunity to experience the joy, teamwork, and sense of belonging that shaped his own childhood.

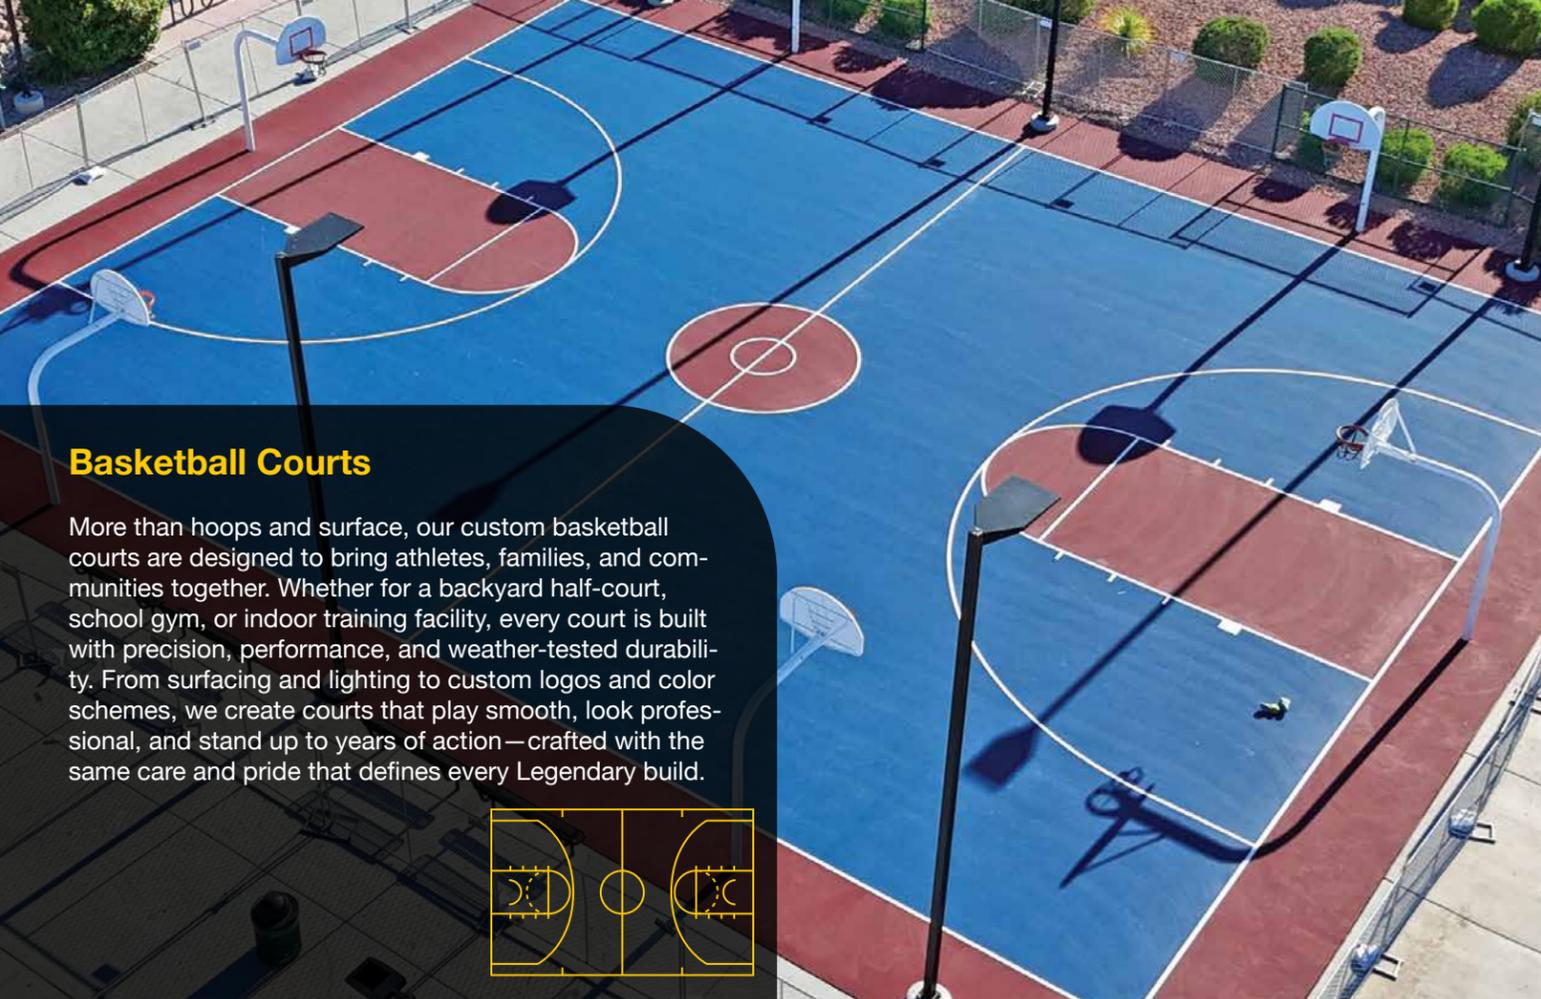

Pickleball Courts

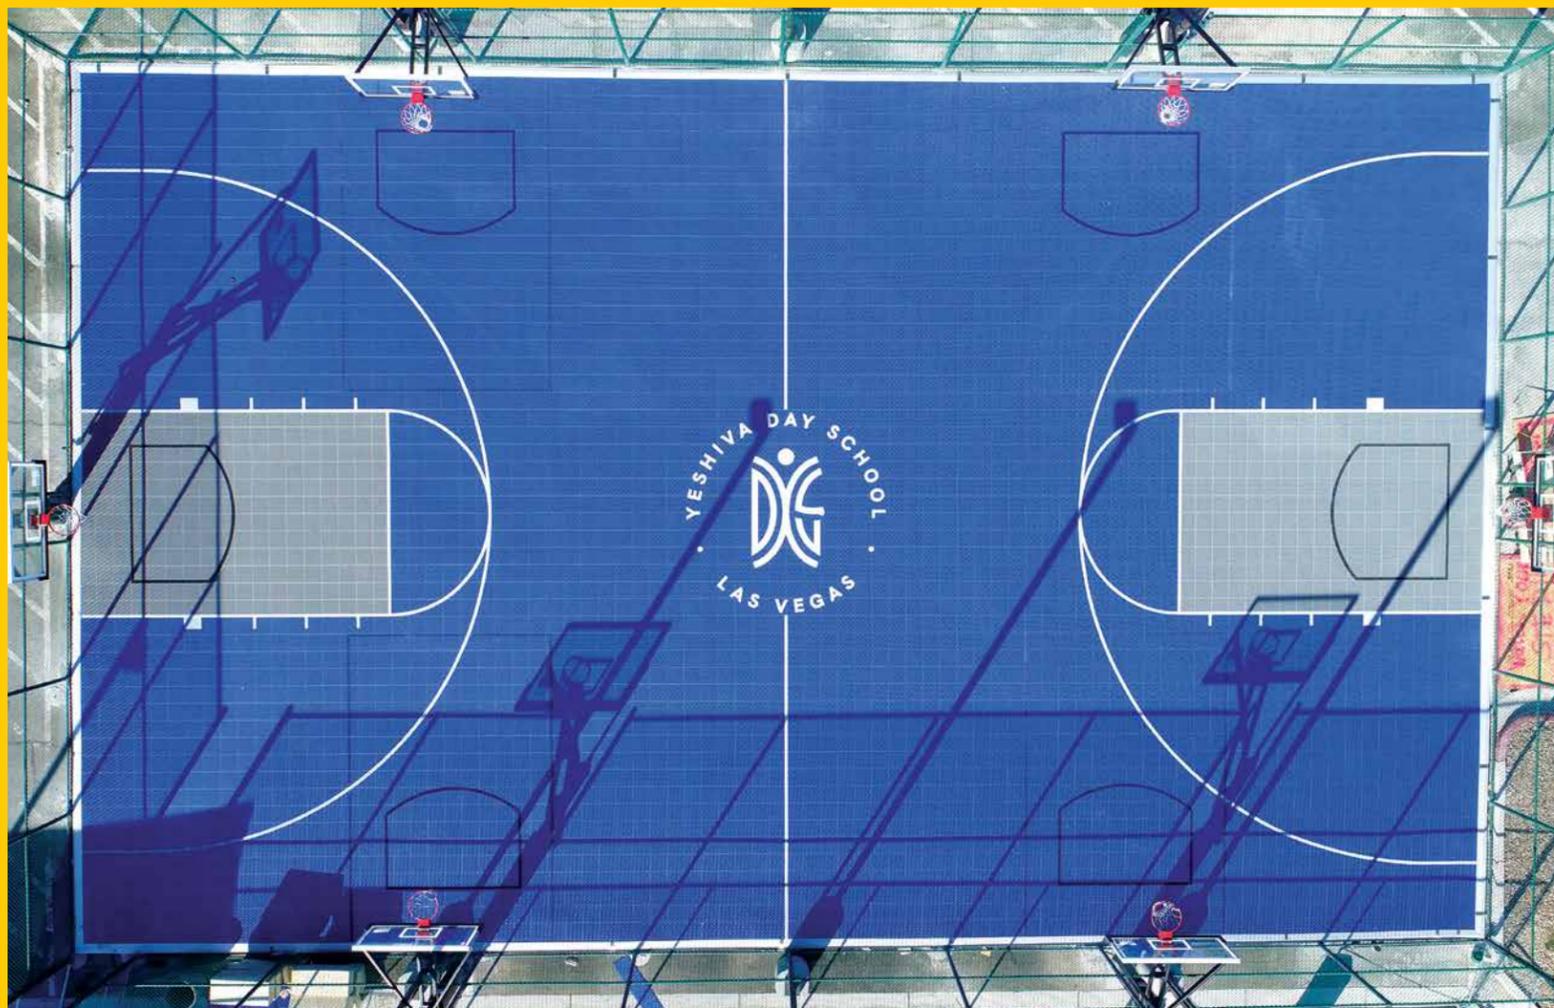

Built for the love of play, our custom pickleball courts combine precision design, quality materials, and all-weather durability. From backyard courts that bring families together to professional installations for schools, parks, and communities, each project is crafted for safety, performance, and long-term reliability. With expert surfacing, fencing, and lighting, we create courts that not only play great but look exceptional—ready for casual rallies or tournament-level competition.

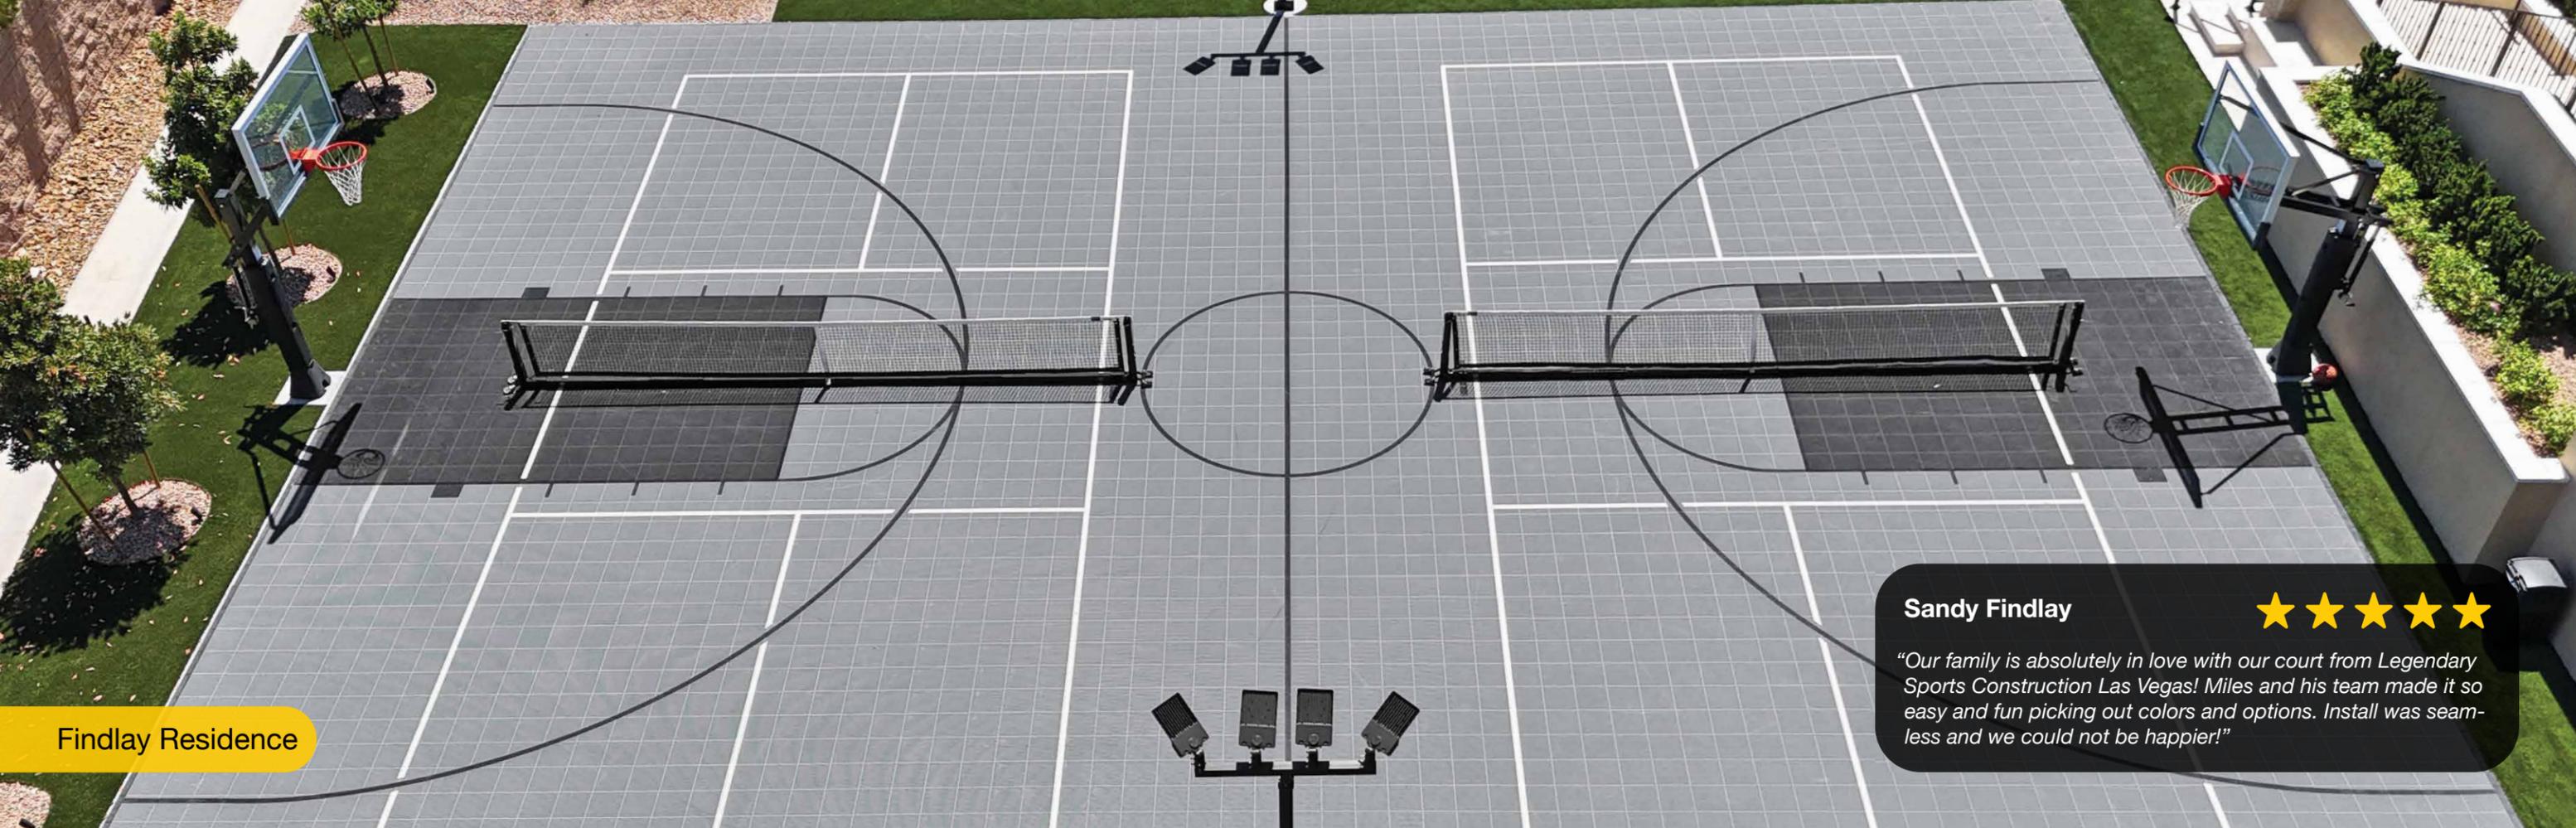

Basketball Courts

More than hoops and surface, our custom basketball courts are designed to bring athletes, families, and communities together. Whether for a backyard half-court, school gym, or indoor training facility, every court is built with precision, performance, and weather-tested durability. From surfacing and lighting to custom logos and color schemes, we create courts that play smooth, look professional, and stand up to years of action—crafted with the same care and pride that defines every Legendary build.

Findlay Residence

Sandy Findlay

"Our family is absolutely in love with our court from Legendary Sports Construction Las Vegas! Miles and his team made it so easy and fun picking out colors and options. Install was seamless and we could not be happier!"

Multi-Game Courts

Maximize your space and fun with custom multi-game courts designed for versatility, performance, and long-term durability. Perfect for pickleball, basketball, tennis, volleyball, and more, each court is engineered to handle all climates while maintaining smooth play and visual appeal. Whether it's a family-friendly backyard setup or a large-scale recreation facility, our precision-built, low-maintenance surfaces turn any area into a dynamic hub for play, fitness, and connection.

Tennis Courts

Experience premium tennis courts that combine elegance, durability, and playability. Built with precision for homes, clubs, resorts, and schools, each surface is designed to perform beautifully in demanding climate—enhancing every serve, volley, and rally for years to come.

Madeira Canyon

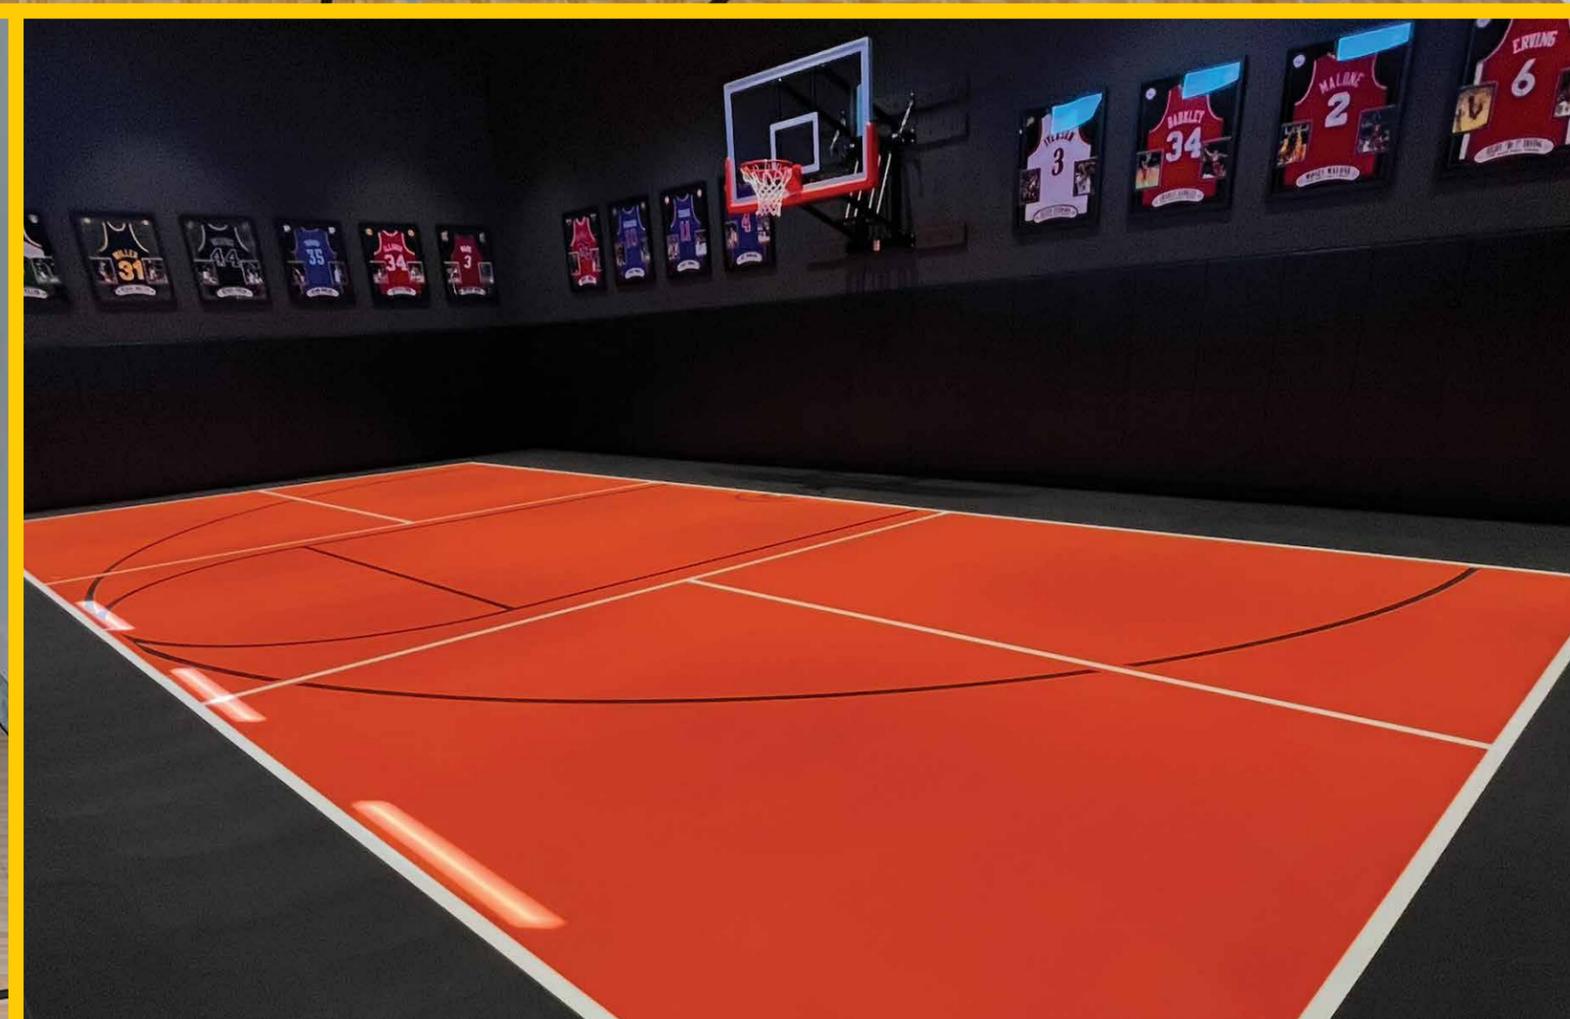

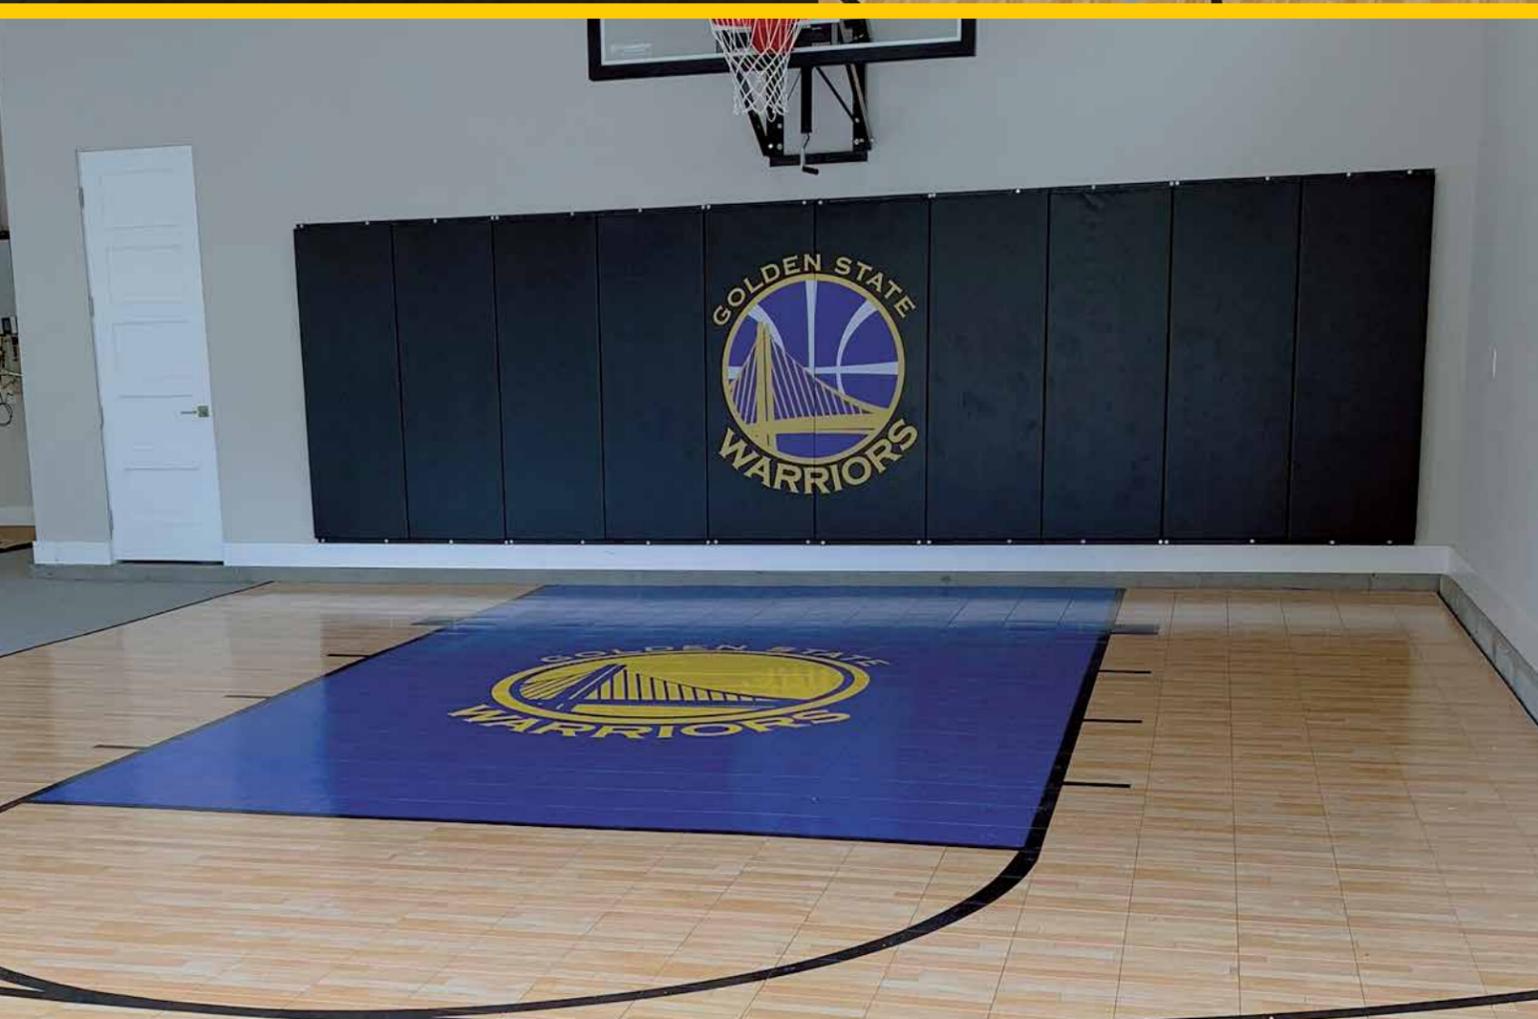

Hockey Courts

Bring the thrill of the rink home or to your facility with custom hockey courts built for performance, safety, and year-round durability. Designed for players of all ages and skill levels, these smooth, resilient surfaces deliver fast-paced play and long-lasting quality—perfect for backyards, schools, communities, and indoor facilities. Each court is engineered to handle harsh climate while maintaining the professional feel and precision that make every game unforgettable.

Indoor Courts

Train, play, and compete year-round with custom indoor courts designed for performance, safety, and durability. Whether for basketball, pickleball, volleyball, or multi-sport use, our indoor installations deliver professional-grade surfaces that look exceptional and play even better. Each court is engineered with climate-controlled environments in mind—offering consistent traction, precision line work, custom lighting, and layout options tailored to homes, schools, gyms, and large recreational facilities. Built to maximize space and elevate every game, our indoor courts bring championship-level quality to any setting.

Event Courts

Transform any event into an unforgettable experience with custom-built courts designed specifically for tournaments, showcases, brand activations, and special gatherings. Whether for a corporate event, community festival, school competition, or resort attraction, our courts deliver the professional look, safety, and durability needed for high-energy play. Surfaces can be tailored with custom colors, branding, and layouts. Court setup is efficient and adaptable for both short-term and permanent installations. Engineered for performance and visual impact, our event courts create a standout centerpiece that elevates any occasion.

Volleyball Courts

Designed for performance, connection, and year-round play, our custom volleyball courts bring together athletes, families, and communities. From backyard installations to professional indoor facilities, each court is built with precision, durable materials, and aesthetic detail to match your space. Whether you're training indoors or enjoying outdoor matches under the sun, every surface, net system, and line layout is crafted for safety, quality, and lasting fun—creating courts that look professional and play even better.

Build Process

Design

Our team uses 3D design renderings to help you select the location, layout, colors, dimensions, and accessories for your game court—ensuring every detail exceeds your expectations before construction begins.

Build

Our dedicated professionals will seamlessly execute every aspect of the project, making sure your space is flawlessly built. With a focus on timeliness and quality, we are committed to delivering exceptional results. Get ready to experience the transformation of your space as we make your dream court a reality.

Play

After your game court construction is complete, it's time to play – the most exciting part! We pride ourselves on not just creating remarkable courts but forging backyard courts where memories are made and legends are born.

Maintain

Our team is committed to caring for your court long after it's built. From resurfacing and deep cleaning to line touch-ups, crack repair, and component tune-ups, we help keep your court looking beautiful and playing its best for years to come—ready for every family and community gathering

Why Legendary Reigns

Proven Leadership with 20+ Years of Experience

With over two decades of industry leadership, our expertise is built into every detail—trusted, tested, and proven.

Turn-Key Design & Installation

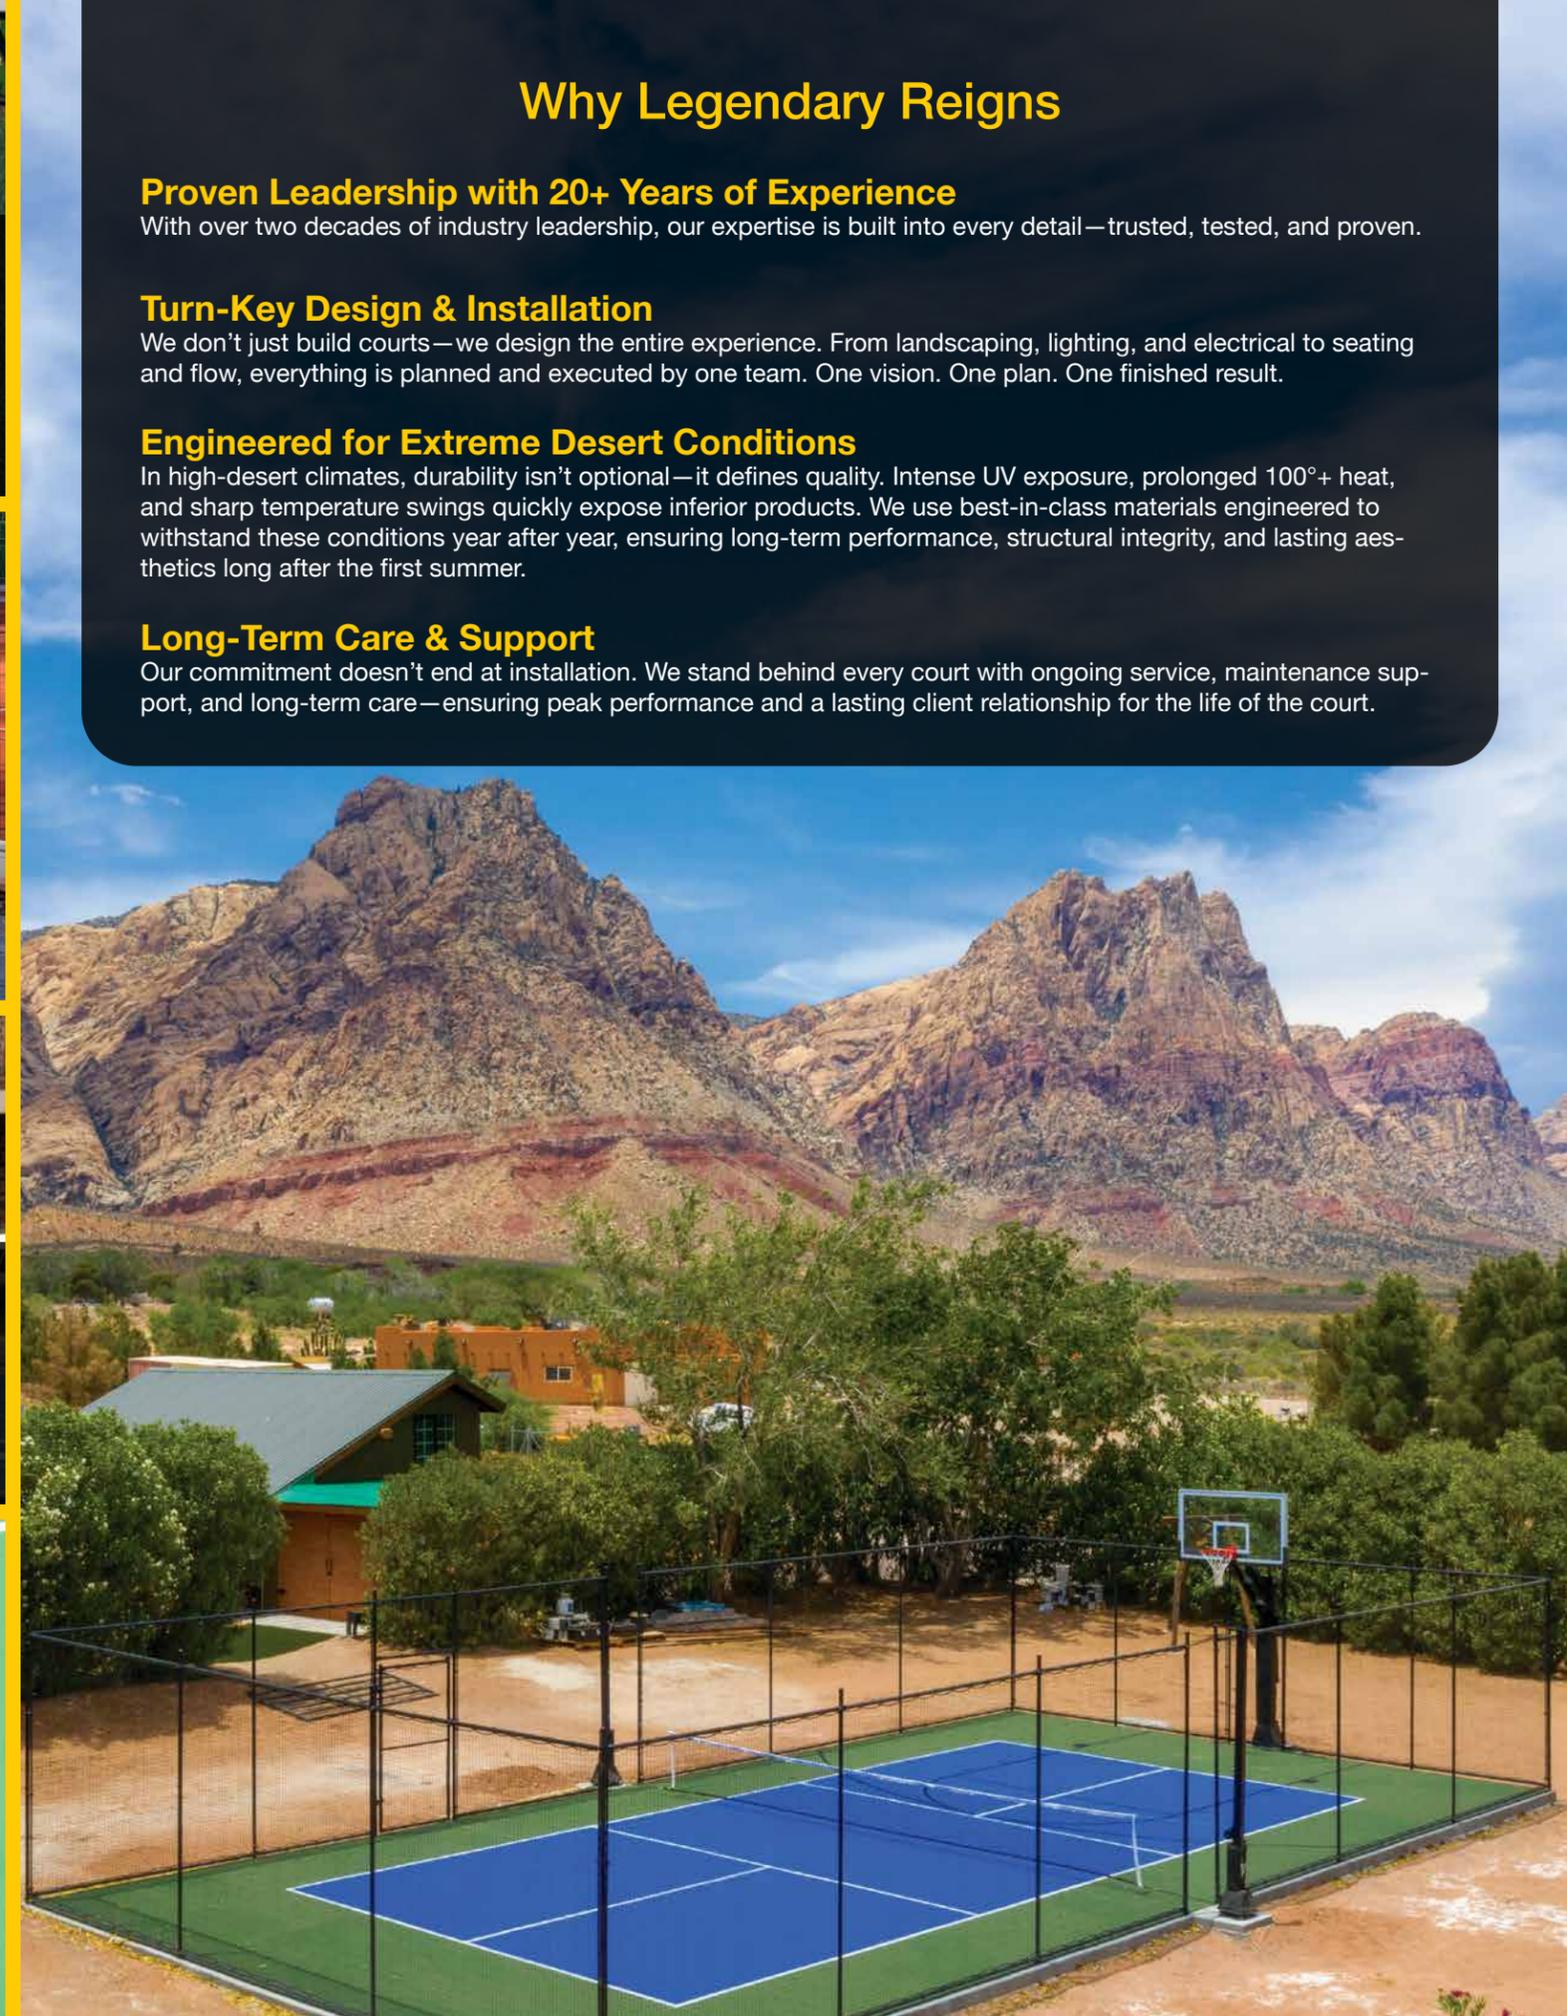

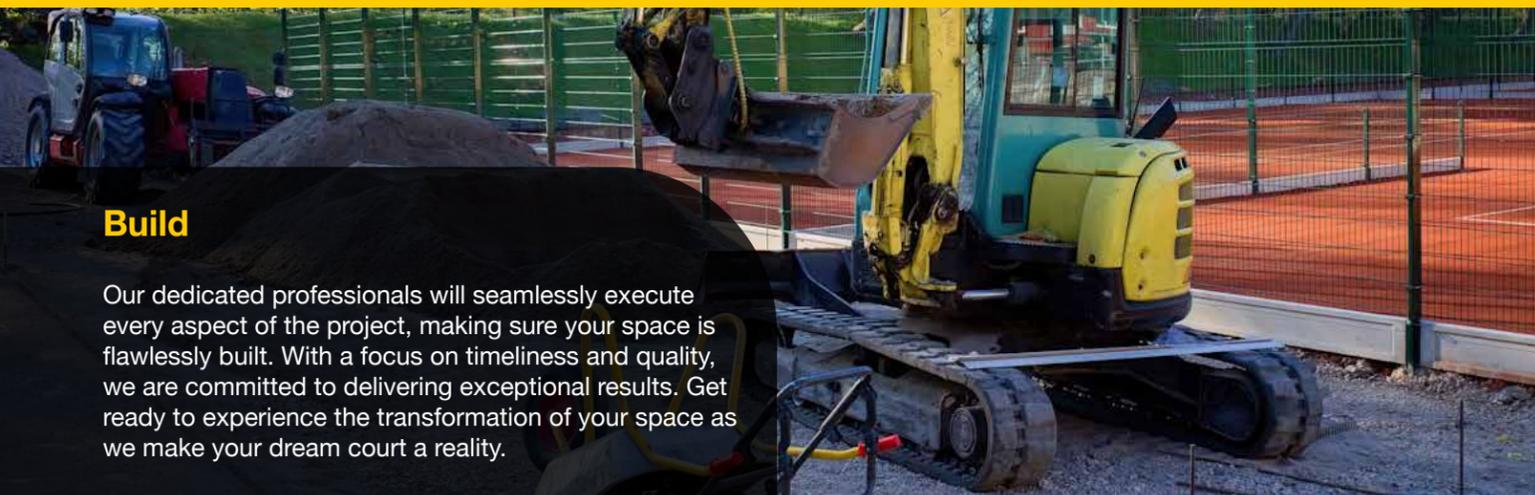

We don't just build courts—we design the entire experience. From landscaping, lighting, and electrical to seating and flow, everything is planned and executed by one team. One vision. One plan. One finished result.

Engineered for Extreme Desert Conditions

In high-desert climates, durability isn't optional—it defines quality. Intense UV exposure, prolonged 100°+ heat, and sharp temperature swings quickly expose inferior products. We use best-in-class materials engineered to withstand these conditions year after year, ensuring long-term performance, structural integrity, and lasting aesthetics long after the first summer.

Long-Term Care & Support

Our commitment doesn't end at installation. We stand behind every court with ongoing service, maintenance support, and long-term care—ensuring peak performance and a lasting client relationship for the life of the court.

Landscaping the Experience

Our courts often become the heart of the outdoor space—the place where people naturally gather. Our design and landscape division allows us to extend that energy beyond the court. We collaborate with our clients to shape the full backyard or site, ensuring the court, surrounding amenities, and landscape work together as a unified experience. The result is not just a court, but a destination designed for connection, activity, and lasting enjoyment.

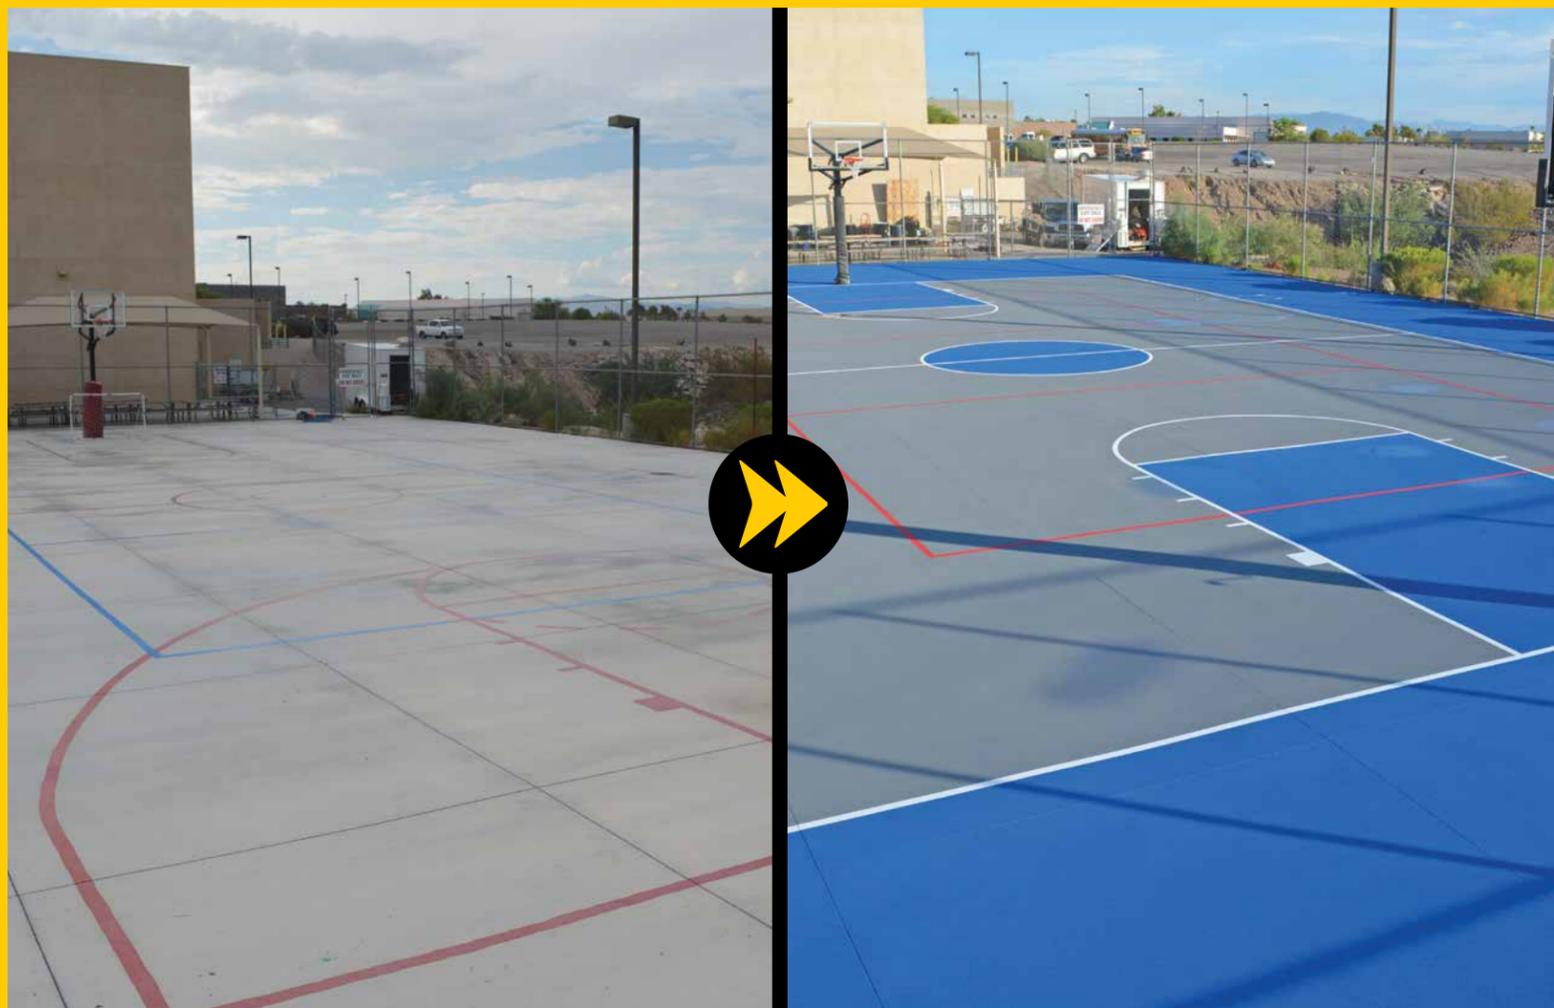

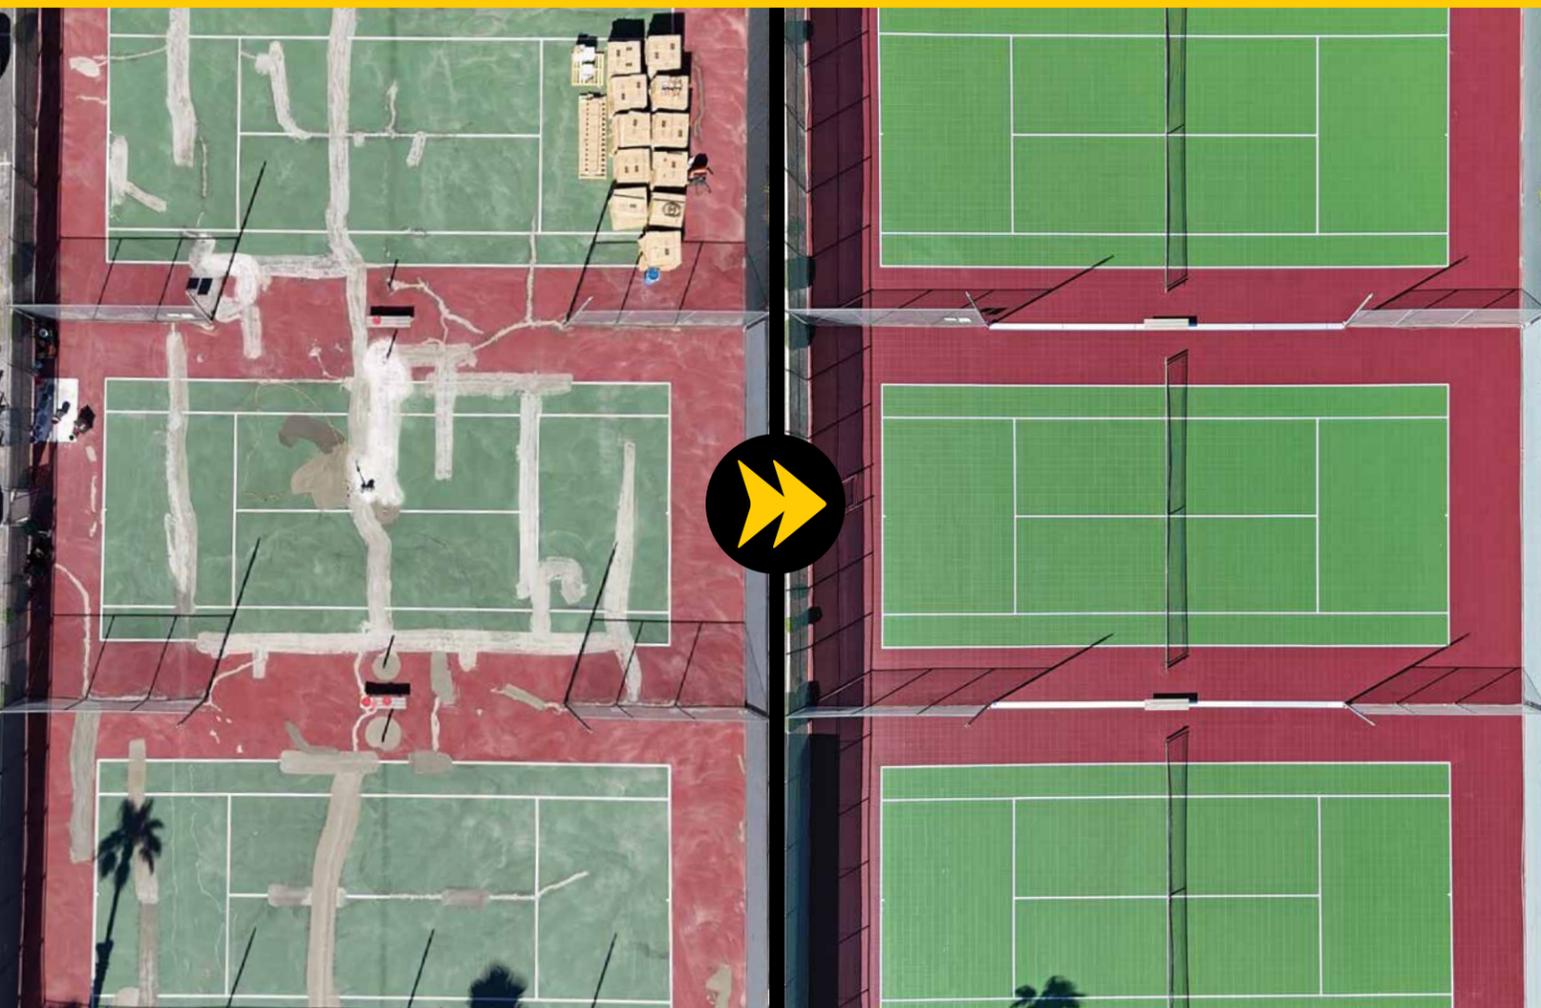

Court Resurfacing & Maintenance

Protect and extend the life of your court with Legendary Sports Construction. Serving residential and commercial sports facilities, we provide complete resurfacing, cleaning, and repair solutions that keep your courts safe, attractive, and ready for play. Regular maintenance enhances performance, prevents damage, and preserves that “like-new” look—whether it’s a backyard basketball half-court, a community tennis court, or a multi-court pickleball complex.

Our Services

- Comprehensive Court Care
- Resurfacing & crack repair
- Acrylic coating & cushioned systems
- Line painting for tennis, pickleball, and basketball
- Deep cleaning for all sports surfaces
- Components inspection, replacement, and repairs
- Maintenance plans available for residential and commercial game courts
